

CHAMPION YOUR COMMUNITY
2023 Campaign

**When you give
to United Way,
you are
choosing to
champion your
community.**

We've made giving easy. Set up recurring giving through your employer, scan the code below, or call the United Way office to make a gift today. However you choose to give, you are choosing to become a champion for Baytown and Chambers County.

Giving through the 2023 United Way Campaign is just one way to champion your community.

Partner with your United Way by helping to provide books for one of our 23 Little Free Libraries, new clothes to help students in four school districts through our Clothing for Kids Closets program, and hygiene items to support Hope for the Homeless.
