

Mission

To develop, promote, and support solutions designed to meet targeted community needs.

Vision

A community where everyone achieves full potential through education, financial well-being and health.

Your United Way:

Your United Way empowers our community by supporting programs that provide solutions to real community needs.

BASIC NEEDS

Residents of the greater Baytown area and Chambers County have access to essential programs that support basic needs like food and shelter.

FINANCIAL STABILITY

Individuals and families are supported as they move towards financial independence and home ownership.

EDUCATION

Students of all ages receive support on the path toward kindergarten, college, and career readiness.

HEALTH

Families, seniors, and homebound individuals have access to community health programs.

Your United Way partners with local programs that are fighting against community issues to, together, lift the quality of life for every individual in Baytown and Chambers County.

Programs and initiatives:

LITTLE FREE LIBRARIES

Providing free books to students and families across our service area.

HOPE FOR THE HOMELESS

Bringing essential basic needs to those experiencing homelessness.

CLOTHING FOR KIDS CLOSETS

Providing new clothing for students in all four local school districts.

DAYS OF CARING

Bringing our community together through the power of service.

VOLUNTEER CONNECT

Connecting community members with projects that fit their passion and schedule.
